Easter Bunny Doll Collection

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The needle size was left off the instructions for the Striped Panties. Please note the **new** instructions below.

Striped Panties:

Make 3, using White for MC on all, and making 1 pair each with Mint, Lilac and Pink for CC.

Back of Panties:

Using **smaller needles** and MC, cast on 18 sts, leaving a 12" [30.5 cm] tail.

We apologize for any inconvenience. Patterns have been corrected from April 24, 2017.
