Leaf Yoke Shrug & Hat

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. Instructions for the repeat of the pattern for the Shrug, Row 17 of the Hat and the final rows before casting off on the Hat have been changed.

Also note, there may be more than one revision to a pattern.

On the Shrug, 2nd page, 2nd column, after Rows 1-8:

Now keeping Eyelet pattern correct, continue to dec one st at each end of center sts on every 4th row 3 times more, working short rows as set once for each pattern repeat of 8 rows - 125(135, 145) sts rem at end of last dec row.

Now keeping pattern and short rows correct, dec one st at each end of center sts on every right side row 5 times, thus ending with a total of 115(125, 135) sts on needle.

For Hat:

Row 17: K2(3, 4), [yo, sl 1, k1, pssso, k 17, k2tog, yo, k1] 4 times, (~~delete p1~~), k1(2, 3).

When working Lace Pattern on Hat, 3rd column of last page, after Row 8:

Repeat Rows 1-8 of lace pattern until work measures 5.25" [13 cm] from cast on edge.

Next Row: K1, *k2tog, k3; rep from the * to the last st, k1.

Knit 6 rows.

Cast off loosely knit wise.

If desired, fold Hat at center, **gather**

beg sts and sew a short seam.

We apologize for any inconvenience. Patterns are corrected from February 29, 2016.
