Do Not break yarn.

With right side facing, working across left side of Blanket, pick up 14 sts per triangle (about 210 sts). Slip 4 sts from st holder onto left needle and continue as follows: [k4, turn, k4] twice, then k3, SKP to come around the corner, now rep from ### to #.

Repeat on bottom edge (requires making extra sts across each triangle to account for the 182 sts), and then along right side as for left side of Throw.

We apologize for any inconvenience. Patterns have been corrected from October 16, 2014.
